Summer Menus - Something for Everyone

Our Summer menus include new a-la-carte dinner menu, 2 and 3 course set menus, lunch menu, desserts and special coffees, bar snacks and late night menu. The full menu is available in your room compendium.

Here's an excerpt from 'Interview with the Chef', where Executive Chef, Nancye Pirini shares her inspiration and thoughts:

In asking Nancye what makes the new summer 2013 menu different she states: "There are more vegetarian dishes and lighter options ideal for summer. We've kept the robust dishes like the chargrilled beef sirloin - well suited to men, while the eye fillet is a little more petite. Desserts offer new textures and flavours. For example, the lemon tart is summery and colourful with fresh citrus (lemon/oranges) flavours...

The chocolate dishes are bitter sweet and rich. I really like the desserts on this menu because it shows variety and technical skills - flavours, complexity and balance."

Overall, Nancye is proud of this latest menu in its complexity of flavours and describes the dishes as 'rustic fusion'.

Fantastic Guest Reviews on Trip Advisor

We would like to say a big thank you to all guests who have put their honest and often complimentary comments onto Trip Advisor. We are proud to be number 2 out of 24 hotels in the Auckland Airport region on Trip Advisor:

"Jet Park - it has all we need, and more"

We always stay at Jet Park when passing through Auckland - not only because of the convenient location near the airport, and the half-hourly, free shuttle service, but because of the quality of the accommodation, the excellent staff, and the high standard of the restaurant.

"Great Hotel"

Great stay. Thanks to all staff. The girls enjoyed the pool and I relaxed with a lovely glass of wine pool side. Free airport pick up and parking is a huge

bonus. Really enjoyed the family room, plenty of space and the room was really clean.
