### ENVIRO FRIENDLY PARK SPA AMENITY RANGE

We are pleased to supply you with a low-allergy, **NZ-made body product range** made with the healing properties of NZ 'Mamaku' (Black Fern). We have created our own product dispensers for some of our range to reduce daily waste from small, individualised plastic containers. Our hair products and soap are still available in individual containers and these are recycled after use.

#### Other Benefits:

- Hair care products are all made using bio-degradable formulations, are free from animal and petrochemical by-products and are Paraben free
- Hair & skin care products are made from sustainably sourced, GE free ingredients
- Cardboard boxes are made from 100% recycled, oxygen bleached carton board
- Caps and bottles are fully recyclable and partially used soaps are returned to the manufacturer to be recycled into biofuel and bio-degradable industrial cleaning compounds
- Formulations are tested on humans, not animals!

### HOW CAN YOU HELP?

You may wish to help save water by turning off the tap tightly and avoiding leaving water running.

If you are staying with us for several days, please feel free to decline a towel change from our housekeepers.

Please leave any recyclable waste e.g. paper, newspaper, magazines, any glass or plastic bottles beside the bin in your room to be included in our recycling system.

Room key cards: These are designed to control the lights in your room, so that when you're out, lights are off to save power. You may also wish to consider turning off your TV and heating/cooling too, when not in the room.

If you're walking on New Zealand's beautiful trails/bush walks, always wear clean shoes and use shoe spray stations to prevent the spread of 'Kauri Die Back Disease'.

### STEPPING UP WITH SEPTEMBER!

**Jet Park Hotel is participating in an event called Steptember!** Run by Cerebral Palsy Alliance, the Steptember charity event challenges people to take 10,000

steps a day for 28 days straight in the month of September. And encourages participants to stay healthy throughout the year.

All money raised goes towards helping children and adults living with cerebral palsy - many of whom will never be able to take a single step without assistance.
