

MAY - JUNE 2016

To our dear valued Guests,

It has certainly been a busy year for us, as we get nearer to the completion of the new Conference Centre plus 60 guest rooms. Whilst staying with us, we invite you to make use of our complimentary valet service, and our hotel porters are very happy to help you retrieve your vehicles and/or move luggage to your car. We also have our new electric trolley to take you to your car.

If you're visiting Rotorua this year we invite you to stay at our new property, Jet Park Hotel Rotorua. We've even negotiated special discounts with local attractions so you can make the most of your holiday in the North Island's "Adventure Capital".

Until next time, happy travels and good health!

Warm regards,

The Jet Park Hotel Team

New Conference Centre and 60 Rooms Nearly Open!

Jet Park Hotel's new 250 person conference centre is on track to opening in June. We're also excited about our 60 new guest rooms (45 Deluxe Twin rooms, of which 4 are wheelchair access rooms, and 15 Executive King rooms), with modern furnishings, artwork by our staff's children,

and for the top floors- views to Rangitoto! The new facility can cater to a range of conferences, meetings, and events and we're offering an opening special **Day Delegate Rate** of only \$55 per delegate. T&C's apply. If you would like to find out more about this fantastic offer, contact our friendly Conference Coordinator Joanne Powles by email: conference@jetpark.co.nz or phone: 09 256 2190.

Hearty Dining Options!

At any time of day or night we have a menu offering to suit your needs. Need an early breakfast before an early morning flight? We offer continental breakfast from 5am or full cooked breakfast from 6am. We also offer late night snacks from 11pm until 5am. For a dining experience not to be missed, try our delicious la carte dinner menu, or alternatively, we offer superb blackboard specials and great value shared plates at Indaba Bar. Check out our menus at the back of your in-room compendium. If you have any queries, contact the Restaurant by dialing 8995 from your room. Enjoy!

Jet Park Hotel Rotorua, an Ideal Winter Weekend Get-away!

If you're looking for a cosy spot for a weekend get-away this Winter why not stay at Jet Park Hotel Rotorua? Our rooms have been newly refurbished and your rate includes continental breakfast and complimentary WiFi. the hotel is just a stone's throw from the

Rotorua Town Centre, and our friendly staff will help you book your visit to local attractions at discounted rates. We have rooms with spa baths, and an outside spa pool, a Café and kid's play area. All in all, a great base for a Rotorua Adventure!

Meet the Jet Park Hotel Team.

Our HR team have been extraordinarily busy sourcing 40 new staff to help man our expanding Auckland operation- housekeepers, chefs, wait-staff, front-office people, and more! A recent open day brought over 170 potential candidates through our doors. Hiring staff with passion for service and the right attitude is the key. The hotel offers an in-house training programme enabling staff to get National Qualifications in Hospitality while working, one of the factors we think contributes to a lower turn-over rate than usual in this industry.

Environmental News

MAY - JUNE 2016

Dear valued Guests,

Welcome and thank you for choosing to stay at Jet Park Hotel - a great choice in "best environmental practice". We believe in protecting our beautiful New Zealand environment for future generations, and we have developed a plan you can be a part of. Jet Park Hotel was awarded a Qualmark GOLD-Enviro rating in 2011, 2012, 2013, 2014 and 2015: a testament to the fact that the environmental health of our country and our planet for future generations is something we take very seriously. We welcome your feedback on our environmental or social policies- please use the in-room guest comment cards for this.

Responsible Tourism Initiatives

Jet Park Hotel has over 60 Responsible Tourism Initiatives; of particular note:

- Energy saving by turning off lights
- Energy efficient light bulbs (LED)
- Solar heating panels for hot water
- Eco-friendly Park Spa amenity range
- Water saving measures, e.g. flow restrictors, low flush toilets
- Rubbish/recycling of waste, e.g. recycling food waste into compost, paper, glass
- Continual 'audits' aimed at future reductions in resource consumption
- Support for SPCA Auckland, Womens Refuge & Kokako Conservation

- Hair & skin care products are made from sustainably sourced, GE-free ingredients.
- Cardboard boxes are made from 100% recycled, oxygen bleached carton board.
- Caps and bottles are fully recyclable and partially used soaps are returned to the manufacturer to be recycled into Biofuel and bio-degradable industrial cleaning compounds.
- Formulations are tested on humans, not animals!

How Can You Help?

- You may wish to help save water by turning off the tap tightly and avoiding leaving water running.
- If you are staying with us for several days, please feel free to decline a towel change from our housekeepers.
- Please leave any recyclable waste e.g. paper, newspaper, magazines, any glass or plastic bottles beside the bin in your room to be included in our recycling system.
- Room key cards: These are designed to control the lights in your room, so that when you're out, lights are off to save power. You may also wish to consider turning off your TV and heating/cooling too, when not in the room.
- If you're walking on New Zealand's beautiful trails/bush walks, always wear clean shoes and use shoe spray stations to prevent the spread of 'Kauri Die Back Disease'.

Enviro Friendly Park Spa Amenity Range

We are pleased to supply you with a low-allergy, NZ-made body product range made with the healing properties of NZ 'Mamaku' (Black Fern). We have created our own product dispensers for some of our range to reduce daily waste from small, individualised plastic containers. Our hair products and soap are still available in individual containers and these are recycled after use.

Other Benefits:

- Hair care products are all made using bio-degradable formulations, are free from animal and petrochemical by-products, and are Paraben free.

Our Unique Local Environment

We have planted the hotel grounds in native vegetation including Flax, Cabbage Trees, Manuka, and Kowhai. These attract native bird life to the site and create a small 'green belt' in a fast-developing industrial area. Please feel free to enjoy a stroll around our grounds! Our Concierge team also have a lot of information on great local walks or bike trails- we even have bikes for hire!

Did You Know? The kokako is one of NZ's endangered and endemic (that is, found only in New Zealand) birds. A joint project between the Auckland City Council and Department of Conservation, The Kokako Project was created to protect and save the kokako. Jet Park Hotel is proud to be a part of this project.
