Silver for Green... We are pleased to announce that we have achieved our first environmental care rating- a Qualmark Enviro-Silver rating which acknowledges some 40 responsible tourism initiatives that the hotel has put in place over the last year in order to operate as a more environmentally friendly and sustainable business. These "go green" initiatives involve reducing water, energy, paper, and

hotel waste, and ensuring that waste is recycled appropriately. The use of "green" products where possible in our operation, involvement in community and conservation activities, and a consistent focus on reviewing and updating our services and systems to ensure that they are functioning in the most sustainable way

as possible. The hotel's new 'enviro' rating together with its recent 4-Star plus hotel rating are a great reflection of the service and excellent standards that we strive to for our guests.

Te Maroro Restaurant. Our Award winning restaurant is open for Breakfast, Lunch, & Dinner for you to enjoy a range of seasonal dishes prepared by our Executive Chef, Simon Turner & his team.

New WIFI Network & Internet Access in Overnighter Rooms!

Jet Park Hotel now has a new state of the art WiFi system which allows access in all of our rooms, including Overnighters which never had connectivity before.

Guests using their own laptops are able to access the internet via our new Wifi network, as well as the existing wired broadband connection. Wireless access is available throughout the hotel, including public areas, lounges, restaurant, conferencing rooms, and in our comfortable lobby areas

which allows guests to relax anywhere whilst still maintaining connectivity with their own wireless devices. Jet Park Hotel also offers 2 business centres with computer work stations for those guests who would like to check their emails and/or use a computer.
