## How can you help?

### 💧 Save water

You may wish to help save water by turning off the tap tightly and avoiding leaving water running or having a quick shower.

### ⚡ Save energy

Room key cards are designed to control the lights in your room. You may also wish to consider turning off your TV and heating/cooling too, when not in the room.

### ♻️ Recycle

Please leave any recyclable waste e.g. newspaper, glass or plastic bottles beside the bin in your room to be included in our recycling system.

### 🍽️ Rethink the buffet

Please enjoy your meal, if dining with us. Our Chefs take great pride in creating seasonal menus to deliver you a culinary experience all year round.

Help us ensure that our food is eaten, not wasted.

### 🛏️ Reuse linen/towels

If you are staying with us for several days, please feel free to decline a towel/linen change from our housekeepers.

### 🌳 Keep NZ beautiful

If you're walking on NZ's beautiful bush walks, always wear clean shoes and use spray stations to prevent the spread of 'Kauri Die Back Disease'.
